popular song is a liminal hybrid form of cultural production as a manifestation of adaptation studies it has lacked visibility by comparison with more dominant adaptation practices especially those for the screen this book serves to fill this gap it investigates what songwriters read and write before they start singing showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences they are subject to myriad influences and among these are other song lyrics poems novels plays films and hybrid cultural forms this deep structure intertextuality is embedded in the cultural flux of language and operates at both conscious and subconscious levels this book thus explores the complex and multifarious intertextual connections between popular songs of various genres styles and eras and literary works including but by no means limited to the bible and shakespeare as such it offers a valuable resource by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form the inverse reciprocal relationship while much less common is also considered in the study

the pipes of a distant clansman begins with an overview of the celtic history and traditions historical accounts gradually melt

into story telling just as the irish poets and bards have done for centuries the adventures and exploits of the characters are historically correct in every way but are told in the words of those experiencing the events as they happened in the third chapter we meet the american long hunters we join them in their fights against indians british Tories and sometimes each other as they stretch out toward the western sunset these hardy pioneers tell their accounts as part of elite revolutionary war units such as morgan s riflemen we join them in celebration of the british surrender at saratoga and king s mountain from tender youth to the rocking chairs of old age we march with them through life as the first americans through the continuing chapters the pioneers and their children move over the mountains into the dark and bloody land kentucky we experience with the pioneers bear hunts making salt and cattle raids their lives are then torn by a bitter civil war their children join union and confederate armies to fight bloody battles against former family and friend after the war lives are changed forever some for the good others not spies become lawyers others head west some return to their farms to forget what they have seen some go in search of treasure others go off to school and the rest choose sides once more in the ranks of the feudists life in the eastern kentucky mountains moves on slow and separate as it always has until two world wars force the mountaineers from their homes differences are forgotten as the mountain people once more give their sons to the fight for freedom america becomes a mass of industry to support the war effort as veterans survive or die on distant battlefields their wives learn how to work as independent leaders of the household here we see the power and resilience of the mountain women their undying love of family and of their welcome knowledge of their own worth the last chapters reflect on all that has been passed to the children of america through these forefathers our strength our love and our long forgotten celtic ideas the characters gave birth to a nation freed it from its european ties and reached out to touch the pacific ocean it is the story of the individual of the single soldier and of the unheard of farmer the story of the common man and where we came from it is the story of the long hunter the spy and the treasure hunter in all of us

you hold in your hand a miracle a book about a passion and the hipsters oddballs and old heads who share it written by one of their number albeit a ludicrously erudite one danny kelly a revival of interest in vinyl music has taken place in recent years but for many of those from the baby boomer generation it never went away graham sharpe s vinyl love affair began in the

1960s and since then he has amassed over 3000 lps and spent countless hours visiting record shops worldwide along with record fairs car boot sales online and real life auctions vinyl countdown follows his journey to over a hundred shops across the globe from new york to new zealand walsall to warsaw oslo to ozstralia old jersey to new jersey and describes the many characters he has encountered and the adventures he accrued along the way vinyl countdown seeks to reawaken the often dormant desire which first promoted the gathering of records and to confirm the belief of those who still indulge in it that they happily belong to and should celebrate the undervalued misunderstood significant group of music obsessed vinylholics who always want need to buy just one more record a mesmerising blend of memoir travel music and social history vinyl countdown will appeal to anyone who vividly recalls the first lp they bought and any music fan who derives pleasure from the capacity that records have for transporting you back in time graham sharpe s journey around the second hand record shops of the uk is full of laugh out loud anecdotes and wonderful observations a great read not just for vinyl fans but for anybody who has ever visited a record shop graham jones author of last shop standing whatever happened to record shops strange requests and comic tales from record shopsand the vinyl revival and the shops that made it happen

this open access book brings together insights into pacific policing conceptualising policing broadly as order maintenance involving the actions of multiple local regional and international actors with sometimes competing and conflicting agendas

a complex and multifaceted endeavour scholarship on this topic is relatively scarce and widely dispersed across diverse sources it examines how pacific policing is shaped by changing state society relations in different national contexts and ongoing processes of globalisation particular attention is given to the plural character of pacific policing profound challenges of gender equity changing dynamics of crime and the prominence of transnational policing in resource and capacity constrained domestic environments the authors draw on examples from across the pacific islands to provide a nuanced and contextualised account of policing in this socially diverse and rapidly transforming region
